ABOUT US

Ningbo Songmile Packaging Co., Ltd. was established in April 2014. It is a professional global packaging material supplier, specializing in the production of daily necessities such as trigger sprayer and pumps and lotion pumps, as well as skin care product set packaging products such as airless bottles, essential oil bottles, cream jars, and soft tubes etc. Our products are exported to nearly 150 countries around the world.

Our plant area is 28,000 square meters, with 3 main buildings, 60 injection machines, more than 80 assembly equipment, more than 120 production workers and technical staffs. We also have a number of supporting production areas, such as mold workshop, accessories workshop for daily necessities, and dust-free workshop for skincare packaging. In terms of products, we have advanced and professional technologies and equipment, including mold design, steel manufacturing, automatic injection molding automatic assembly and inspection. In terms of management, we strictly implement ISO9001 quality system, and so far we have obtained many certificates such as ISO9001, BSCI, SGS, BV, REACH and so on. Our sales staff and technicians provide you with professional product solutions and first-class technical services, making you worry-free throughout the whole process!

Thank you for choosing Songmile and trusting Songmile!
